Been searching for a friend of mine  
We used to hang out all the time  
I called her up on the telephone  
It was someone else's home  
Lit a room like the sun, didn't rain  
When she'd smile that smile that moved me so  
Dark and gloom, gotta run from the pain  
I wish she would've said good bye

I've been looking for a girl named Mary Lopez  
I will search the world to find you Mary Lopez

She's 5 foot 2 and what a smile  
My Mary always dressed with style  
Won't you help my find her please  
So I can have some inner peace  
Lit a room like the sun, didn't rain  
When she smiled that smile that moved me so  
Now it's gloom, gotta run from the pain  
I wish she would've said good bye

I've been looking for a girl named Mary Lopez  
(Haven't seen her since she moved out of Bay ridge)  
I will search the world to find you Mary Lopez

I've been looking for a girl named Mary Lopez  
  
(Haven't seen her since she moved out of Bay ridge)  
I will search the world to find you Mary Lopez

Here inside my heart is where you'll always live

I've been looking, I, I've been looking  
I've been looking for a girl girl girl girl  
I've been looking, I, I've been looking  
I've been looking for a girl

Haven't seen her since she moved out of Bay ridge

I've been looking, I, I've been looking  
(Haven't seen her since she moved out of Bay ridge)  
I've been looking for a girl girl girl girl

Mary Lopez  
I've been looking, I, I've been looking  
I've been looking for a girl girl girl girl  
Mary Lopez  
I've been looking, I, I've been looking  
I've been looking for a girl girl girl girl  
Mary Lopez  
I've been looking, I, I've been looking  
I've been looking for a girl girl girl girl  
Mary Lopez
