A-ha, oh oh oh yeah

I will take you for a ride  
With me(oh yeah)  
Tonight  
(C'mon yeah)

There's something that I want to  
Say to you girl  
Straight from my heart  
I'm never gonna hurt you  
Check up your world  
Like he's doing  
Just tell him  
That you're busy  
Got things to do  
He won't be seeing you  
I'll pick you up at seven(c'mon)  
Taken you to heaven  
Cause girl...

Chorus  
I will take you for a ride  
With me,  
Tonight (oh oh oh )  
It's just a little drive  
Us two, (oh yeah)  
So right  
I'm fellin'such a vibe(ooh), with you(ooh)  
So let's ride(tonight)  
No need to fuss or fight  
With you tonight  
I will take you for a...

Just tell me  
What you're feelin  
Baby I'd like to know  
Straight from your heart  
Tonight we're gonna be in, in fantasy  
So get in my car  
I know what you've been thinking  
You're torn apart

But he don't treat you right  
I'll be at time at seven  
Gonna be in heaven  
Cause girl...

Chorus

I will take you for a ...

Yeah...

Chorus x2

I will take you for a ride  
With me  
Tonight  
It's just a little drive....
