### "Should I Stay or Should I Go"

Visit "[Should I Stay or Should I Go](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[unknown] Mack, you got everything on here except  
some damn rock'n'roll  
[Mack 10] Shit, don't speak too soon

\*Korn providing guitar intro and background guitars\*

I got to know, baby  
I got to know, baby

Intro/Chorus: Ice Cube

Girl, do you still wanna be a ho? (Huh?)  
I got to know, baby, should I stay or should I go?  
(what?)  
Do you want this nigga in a 6-double O?  
I got to know, should I stay or should I go?

Verse One: Ice Cube

Fuck this condo and with John Doe  
You a bomb ho, black enchicando  
You must think I'm soprano, you better trun the channel  
I wanna grab you like a handle  
You ill scream "Book him Dano!", here come the crack  
commando  
wit his guns and his ammo  
Tryin to blow out my candle  
I'ma stop fuckin wit you for your cousin in Orlando (Fo'  
sho', fo' sho')

Chorus: Ice Cube

I got to know, baby, should I stay or should I go?  
Will I end up with strike number four?  
I got to know, should I stay or should I go?

Verse Two: Mack 10

Should I stay or should I go take a hit or say "no"? (No)  
Shoot the jumpshot, run the rock or sell blow?  
Get a whole gallon of loot, do a show

Keep the square bitch or should I bust me a ho?  
You got the green light, break grass so I can write  
We gonna stock all big heads, I recite hella types  
(Right)  
Always mashin like pedals, packin fully heavy metals  
To the new school leader with the big rebels  
See the shinin sea, Westside is the thang (Westsiiiiide!)  
We're down to Hoo Bang with the ghetto slang  
Heads boppin and frownin like it's nasty  
The class crackin, hard rockin like the cavi, ask me  
I never lie, I keep it to the real  
Rollin like a big wheel ever since I had a deal  
Mack move the crowd like an automatic Uza (BRRRRW!)  
That three time loser's wreckin lotta polluters  
Nigga what? (Nigga what?)

Chorus: Mack 10

Should I stay or should I go?  
Do you wanna see Mack 1-0?  
I got to know, should I stay or should I go? (Bitch what?)

Bridge: Ice Cube, (Mack 10)

You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
You a tease, (fuck a tease)  
Bitch please (catch these)  
Bitch please (catch these)

Verse Three: Ice Cube, Mack 10

You wanna leave, girl, no way  
My forte is to flip it like O.J.  
You gots ta obey O'Shea  
Like your ass was an ol fade and nothin but a trophy  
Give my nigga Mack a 40, maintain orders  
Strandin orders, walkin target, stalkin chargers  
Walk the hardest, you should move the force  
Cos I'ma fight, it's love, I'm right behind ya  
Over-protective, you shouldnt've gave it to me (Never)  
Said it was mine and handed a baby to me  
Now I'm on it, like I own it  
I better go, ho, before I end up on death row

Mack 10 be the G with the color bandana  
I fiend for the mic with a jonez like Indiana

Never fuck a broad white as Vanna, I like em tanner  
Always lookin for pussy, detect a freak like a scanner  
I say "Beeyatch! My name is Mack 1-0  
and you the baddest ho at the show in the front row  
You give head? If so, I wanna blow  
Meet me at the Nico in room 3-0-4"  
I heard a knock (what?), there's somebody at the do'  
Baby came in, sucked me down like a pro  
"What else ya wanna do?" I replied "I don't know"  
She said "Mack 1-0, well should I stay or should I go?"  
Yo

Chorus:

SHOULD I STAY OR SHOULD I GO, YO?

\*repeat x8\*

I'MA GO, YO! I'MA GO, YO!

Outro: Ice Cube

I got to know, baby  
I got to know, baby  
Handle me this chick, get the fuck outta here  
Huh, real quick, real quick  
Bitch, you crazy, you crazy  
I'm gone, I'm gone  
A-YEA-YEA!!!
