Ooohh.. whoa..

Why

I thought I had everything

It's killing me to know that this had changed, oh babe

I never hurt inside until I've seen you cry

I ask myself why do I do the things I do

When my heart and soul loves you

Why do I keep living this lie

When I know that this is not right

Why do I take this chance on you

When it could cost us bleeding through

I need you, girl, don't you go away, no no

If you should leave me, I'll drown in all this pain, oh

babe

Don't make this grown man cry

Without you, I'd just die

I ask myself why do I do the things I do (I do)

When my heart and soul loves you (darling)

Why do I keep living this lie (this lie)

When I know that this is not right (it's not right)

Why do I take this chance on you

When it could cost us bleeding through, ooohhh yeah

I wanna know why I can't stop crying, yeah

That's why I keep asking, (oh why) that's why, (oh why)

That's why I keep on asking you, oh baby

If you should leave me

Then I would die asking (oh why)

If you walk out of my life (oh why), hey ooohhh..

I can't stop crying

That's why I keep asking (oh why)

I don't know, I don't know what I'd do

If you should leave me (oh why)

Then I would die asking the reason why oh why

Why do I do the things I do (why do I do the things I do)

When my heart and soul loves you (yeah.. ooohhh)

Why do I keep living this lie (yeah.. ooohhh)

When I know that this is not right (this is not right, this is

not right)

Why do I take this chance on you why baby, heeey..

oohhh... )

Why do I take this chance on you

When it could cost us bleeding through (oohh.. I love  
you, I love you, i love you... why, why, why..)
