I've been your lover, I've been your friend  
I've been your faithful one-woman man  
I've been your diamond in the rough  
Now you say you wanna polish me up

[Chorus]

Why, why, why do you wanna change me now?  
Ain't I the one you loved everything about?  
You might start missin' the old me around  
So why, why, why do you wanna change me now

I remember you used to like  
Walkin' with me on my wilder side  
My kind of crazy turned you on  
Do you really want that part of me gone?

[Chorus]

Why, why, why do you wanna change me now?  
Ain't I the one you loved everything about?  
You might start missin' the old me around  
So why, why, why do you wanna change me now

Why, why, why  
Ain't I the one?  
You might start missin'

[Chorus]

Why, why, why do you wanna change me now?  
Ain't I the one you loved everything about?  
You might start missin' the old me around  
So why, why, why do you wanna change me now
