And you stare at me in your Jesus Christ pose  
Arms held out like you've been carrying a load  
And you swear to me you don't want to be my slave  
But you're staring at me like I need to be saved  
In your Jesus Christ pose  
Arms held out  
In your Jesus Christ pose  
Thorns and shroud like it's the coming of the Lord  
And I swear to you that I would never feed you pain  
But you're staring at me like I'm driving the nails  
In your Jesus Christ pose  
And you stare at me  
In your Jesus Christ pose

Arms held out like it's the coming of the Lord  
And would it pay you more to walk on water  
Than to wear a crown of thorns  
It wouldn't pain me more to bury you rich  
Than to bury you poor  
In your Jesus Christ pose
