I just don't understand  
Why did u leave me like this  
Come back to me  
I look but you're no longer here  
The love we made has disappeared  
Where has it gone  
My heart is thorn  
I wanted like it was before  
Release me from this arms that never loved me , never did  
Give me the chance to get myself together once again  
you have given me the sweetest pain  
I can't escape  
O break this halt you have on me  
And when you do the game is thru  
Because of you  
I'm lonely \*3  
Come take this feeling away  
I'n lonely \*3  
Come take this feeling away  
This silence is'is killing me  
I've lost all words  
Can hardly speak  
You're not around to feel this pain  
My heart is cold  
I miss your face

Release me from this arms that never loved me , never did  
Give me the chance to get myself together once again  
What you have given me is here to stay  
I can't escape  
Open this halt you have on me  
And when you do the game is true  
Because of you  
I'm lonely \*3  
Come take this feeling away  
I'n lonely \*3  
Come take this feeling away  
I'm lonely  
What you have given me is here to stay  
I can't escape

Open this halt you have on me  
And when you do the game is true  
Because of you  
I'm lonely \*3  
Come take this feeling away  
I'n lonely \*3  
Come take this feelÃ¬ng away  
I'm lonely
