"Mistakes"

Yesterday, you came to me
And told me you have fallen in love
At first, it was hard to see
That I could be the reason ..
Because,

I gave my heart to you
My heart to you
But, I guess, it wasn't enough
To make you
Hear me out
To see what love is about
We are worth it
And nobody is perfect

'Cause everybody makes mistakes
It's something everybody goes through
I'm not afraid to say: "I'm sorry" ..
That's something other people don't do
And I will take the blame for everything
Baby, you can put it on me
'Cause everybody makes mistakes
What can I do to make you see ..
I'm only human
I'm only human

I know, I said it a thousand times
But "sorry" doesn't cut it
I'd like to make it right
I know my chances are slim to none
But can we give it one last try?

I gave my heart to you
My heart to you
But, I guess, it wasn't enough

To make you
Hear me out
To see what love is about
We are worth it
And nobody is perfect

'Cause everybody makes mistakes
It's something everybody goes through
I'm not afraid to say: "I'm sorry ..."
That's something other people don't do
And I will take the blame for everything
Baby, you can put it on me
'Cause everybody makes mistakes
What can I do to make you see ..
I'm only human
I'm only human

'Cause everybody makes mistakes
It's something everybody goes through
I'm not afraid to say: "I'm sorry ..."
That is something other people don't do
And I will take the blame for everything
Baby, you can put it on me
'Cause everybody makes mistakes
What can I do to make you see ..
I'm only human
