(Safety.)

Oh...
Yeah, yey-eh-eh...
Uh-oh-ah...
Oh-oh...

You save... You know you saved me
When you never gave up on me, baby.
Walked away, you cared about me now
I'm yours! (I'm yours...)

My heart was so rejected,
You gave me shelter to protect it.
Found a way to reconnect it,
Now I'm yours... And I

Wish you could see the way I see you,
Just like the morning when it breaks through.
Best part of me is when I met you.
And I'll never gonna leave! That'll never be, (Never
be...)
If I could give you what you gave me,
Then you would know it without a maybe
Where the world is trying to knock you to...
When the world is trying to knock you...

I'll be your safety.
Safety, safety...
Your safety!
I'll be your safety.
I'll be your safety.
Safety, safety...
Your safety!

Yeah-eh!

The chains, I felt you break them.
Wrapped your arms around me to replace them.
Took my hand, forgave my mistakes and
Now I'm yours! (For sure...)

That's why I'm always gonna be there
When life reminds us that it's not fair.
I'll pick you up and take you to a place where
I am yours! Yeah!

Wish you could see the way I see you,

Just like the morning when it breaks through.
Best part of me is when I met you.
And I'll never gonna leave! That'll never be, (Never
be...)
If I could give you what you gave me,
Then you would know it without a maybe
Where the world is trying to knock you to...
When the world is trying to knock you baby...

I'll be your safety.
Safety, safety...
Your safety!
I'll be your safety.
(I'll be your safety!)
Safety, safety...
Your safety!

Whoa-oh...

Tell you once, tell you twice, tell you every time.
I'll never leave what I need, you're my lifeline!
And through the darkest, coldest nights, ohh baby!

Wish you could see the way I see you,
Just like the morning when it breaks through.
Best part of me is when I met you.
And I'll never gonna leave! That'll never be, (Never
be...)
(Oh-whoa...) If I could give you what you gave me,
then you would know it without a maybe
Where the world is trying to knock you to...
(Whoa...) When the world is trying to knock you...

I'll be your safety.
(I'll be your safety!)
Safety, safety...
(I'll be your safety!)
Your safety!
I'll be your safety.
Safety, safety...
Your safety!
(Yey...)

You're safe...

I'll be your safety...
