Fire in the bones  
Be the gasoline  
For an empty heart  
Fire in the bones  
Like a cigarette  
In a field of leaves  
This love I have it is all that I know  
Tattered, broken, and worn  
Heavy as it goes  
Heavy  
Bread crumbs, cheap wine  
It ain't much  
Wasted by time

Bread crumbs, cheap wine  
A feast to you  
From my soiled hands  
This love I have it is all that I know  
Tattered, broken, and worn  
Heavy as it goes  
Heavy  
Beloved, Be loved  
Heavy as it goes
