### "No. 1"

The world is mine  
I get what I want  
Cause I seize my chances

You fucka with me, you fuck with the best  
You fight with the best, you die like the rest

There is nothing you can do to me  
Me I am the No. 1

I got balls  
So I improve  
I stay hungry  
To burn you cockroach

Me I want what's coming to me  
It is the world and everything in it  
As a master of the Universe  
As opium for the crowd  
My seed is the key to make you bend down

Bend down for me!

I take what's mine!
