In this maze where can I sleep, I've seen the light and  
then again  
Journey after journey hatred followed, unleashed upon  
the final ride

Release me from these god forsaken claws, please let  
me die

These walls have known me before, they're creeping  
up on me  
With the firmest grip of senses, I freeze eternally

Release me from these god forsaken claws, please let  
me die

I CAN'T FEEL MY BONES, THE BLOOD HAS ALL DRIED UP  
I AM CAUGHT IN-BETWEEN  
I CAN'T FEEL MY BONES, THE BLOOD HAS ALL DRIED UP  
I'M NOT EVEN DEAD

Torture is hiding me from them, silence is grasping for  
my mind  
The paths and stones are desolate now, is this where I  
can finally rest

Release me from these god forsaken claws, please let  
me die

I CAN'T FEEL MY BONES, THE BLOOD HAS ALL DRIED UP  
I AM CAUGHT IN-BETWEEN  
I CAN'T FEEL MY BONES, THE BLOOD HAS ALL DRIED UP  
I'M NOT EVEN DEAD

Silence is grasping for my mind
