Am I to blame for this?  
You owe me! you owe me!!!!!!!  
Apologize!!!!!!!!!!!!!!!!!!!!!!!

I despise I disgust  
My self destructive lust  
Afraid to die  
Begging to turn the Tide

Being served like a whore  
I stick in, I adore  
My fantasies  
Are all this empty  
Take away the sorrow and sadness  
Take away the pain

Let me be

Am I to blame for this?  
You owe me! you owe me!!!!!!!  
Apologize!!!!!!!!!!!!!!!!!!!!!!!

Take away the sorrow and sadness  
Take away the pain  
No way out
