Old dreams return
Disillusioned, I yearn
Am I buried beneath sand and clay?

The caress of cold soil
With limbs crippled to the coil
Locked inside a nightmare womb

Tarnished and grief stricken
Emptiness within a void
Longing for the sun to shine
To discourage the demonoid

Salvation
Darkness reborn
Salvation

Salvation
Darkness reborn
Salvation

Old dreams return
Disillusioned, I yearn
Am I buried beneath sand and clay?

The caress of cold soil
With limbs crippled to the coil
Locked inside a nightmare womb

We seem to keep fading away
Holding on to the last final sway
A doctrine of self salvation
Darkness reborn on the resurrection day

Stagnating in dead waters
While circling above the surface
Of the deep pale desert sea
Cutting the other life of lines

Salvation
Wish we'd never met
Salvation

And rather gone our separate ways

Salvation
All times spent together
Salvation
Are the darkest of days

Salvation
Salvation
Darkness reborn
