Ages of the past
Abrahadabra
Forever to last
Ages of the past
Abrahadabra
Forever to last
Abrahadabra
Enter the supreme unknown

From within the chambers
Comes expansion of thy own free will
From the outer rooms
Comes extensions of thy own free will

From within the chambers
Comes expansion of thy own free will
From the outer rooms
Comes extensions of thy own free will

Through the confines of tomorrow
We reappear still, timeless and elemental

From the ancient future
Comes the seamless and the endless
Ages of the past
Energies eternal, forever to last

Abrahadabra
Abrahadabra
Abrahadabra
Abrahadabra

Seeing, evolving
Willing, achieving
Beyond the next worlds

Seeing, evolving
Willing, achieving
Beyond the next worlds

Flee the cage of insecurity
Enter the supreme unknown

Expand the inner and outer horizon
For it is as obvious as it's shown

As it's shown
As it's shown

From the ancient future
Comes the seamless and the endless
Ages of the past
Energies eternal, forever to last

Abrahadabra
Abrahadabra
Abrahadabra
Abrahadabra

Abrahadabra
Abrahadabra
Abrahadabra
Abrahadabra

Seeing, evolving
Willing, achieving
Beyond the next worlds

Abrahadabra
Abrahadabra
Abrahadabra
Abrahadabra
