[Chorus 1]

[Chorus 2]

[Knightowl]

Bitch I don't mean to disrespect you
But you're nothin but a slut
You're the type of hoe that likes to lick and gobble nut
Don't you act like you're fuckin angel
I heard you like to tweak crystal up the nose
Then you go out and give them blows
To all those fools that give you the rock
They make you suck the cock
You like to slurp to the very fuckin last drop
You open up the legs and let the homies hit it
You say one at a time but would you please form a line
You never turn a dick down you like to suck a bundle
You like to get it rammed and get that shit up in your
jungle
But I know where you've been
You fucked one of my homies
God damn that you bad
Cause now that fucker's livin sad
He got what he wanted but now he's livin haunted
All because in front of him a piece of ass was flaunted
So best to feel a lesson but damn it feels so good
And never trust a bitch it's either plastic or a casket

[Chorus 1]

[Chorus 2]

[Knightowl]

Hey what up fool? You bust your nut?

[Slush the Villain]

Hell yeah homie.
Got all up in that stupid fuckin bitch homes.

[Knightowl]

Well I think it's time we get rid of these fuckin bitches.
This blow job babe's coming over in about an hour.

[Both continue talking until the end]
