It is 1999
The human race has to face it
They are confronted with the truth
It's secret -- mysterious

A surgeon said it in the news
The human race is dying
But the result is no disease
Searching for you

Metal heart -- metal heart
They found it everywhere
Metal heart -- metal heart
Lifeless piece of steel

The scaring fact was even told
Total confusion

They found the same nightmare
Heartbeats -- timebombs

Metal heart -- metal heart
Unplugged they're dying
Metal heart -- metal heart
Unplugged they die

Metal heart -- metal heart
They found it everywhere
Metal heart -- metal heart
Lifeless piece of steel

Metal heart -- metal heart -- metal heart
Unplugged they're dying
Metal heart -- metal heart
