Kind of hoe that'll give up the ass real quick

Never ask for it just gotta ask to hit

And pass my spliff

Kinda hoe that'll never say no

You SDH always talking about

You'll deep throat my dick

Til it's time to go

Just cause you slutty ass memorized my flow

My bone, my balls, all in the jaws

How low would you go so I could give you a call

How low would you go to get called back

Lick a ball sack, let us all cap

Girl arch your back put your pussy up

Let me stick my big dick in your juicy cunt

[Slush the Villain]

We know a porn star by the name of Neika
Penis eater semen cleaner
She could eat dick for days
Let her lick away spit no way
Cause she likes the taste let her swallow it
Every last drop bitch all of it
Let her gobble it put some jaw in it,
Like a good girl should and I know that you could
Hoe

[Knightowl]

I know this bitch by the name of Michelle
I had her legs up in the air at the motel
Never says no to a fuckin thug
Scrapes on the knees lots of burns from the rug
But what about that bitch by the name of Nicole
She likes it in the butt licks the bone like a mutt
The neighborhood slut fuckin all the homies
Doin all a favor said she liked the flavor

[Chorus]

[Knightowl]

You nasty bitch,
you ain't nothing but a nasty bitch to me
you nasty bitch
you ain't nothing but a nasty bitch.

Once again the muthafuckin Knightowl is back
Bringin some shit to all you fuckin hoes
That like to give blows

Cum drinkers sperm guzzlers
That have no fuckin shame
In this muthafuckin game suck a fat one
