

Dimmu Borgir "Spellbound"

Visit "[Spellbound](#)" on MotoLyrics.com

You have returned to the torture-chambers
to find peace among rotting corpses
You have returned to the execution place
to inhale the smell of blood

Death and terror rules the land
we have been spellbound
By the Devil
You have returned to the hidden graves
only you know about
You have returned to face your victims

and feel the sensation of violence once again

Death and terror rules the land
You have been spellbound
By the Devil
Murderer, you have returned
to create fear and sorrow
Death and terror rules the land
we have been spellbound
By the Devil
