Chains of despair cloacked by darkness
The thundering echoes of great destruction to come
Mankind\'s mysteries,the dying world
[chorus:]
Madness in it\'s sweetest form, what shrivels and dies
must face the tempest
The angelic heaven bows to the ultimate truth and
melancholy grew
Anticipation mender through madness,condemned to
the same horrid fate
Insanity applauds,how sharp the awakening
Pale as disease...mocking...maddening...
Give up the ghost,cease the gloomy awakening
