Trying hard to forget you
Wanna scratch you off my mind
Finding out it's easier said than done
Watching you from a distance

REFRAIN

All my thoughts are out of line
'Cause you're not really free
You can never be mine
Perhaps in my dream
Only in my dream

CHORUS 1

Where you are is where I'll be
Nothing's too far believe me
Breaking rules that exist
Loving you as I please
I can have it my way
Only in my dreams
Loving you only in my dreams

Constantly thinking of you
Pretty much a waste of time
An obsession getting out of hand

Loving you from a distance

[Repeat REFRAIN]

CHORUS 2

Where you are is where I'll be
By your side continually
Breaking rules that exist
Loving you as I please
I can make it happen
Only in my dreams
Loving you only in my dreams

BRIDGE

We can do anything we please
Absolute bliss
In the special place

Where you and I, only you and I exist

[Repeat CHORUS 1]

[Repeat CHORUS 2 except last line]

Secretly wanting you

Secretly loving you

Loving you only in my dreams
