Good morning beautiful, how was your night  
Mine was wonderful with you by my side  
And when I open my eyes and see your sweet face  
It's a good morning beautiful day

I couldn't see the light, I didn't know day from night  
I had no reason to care  
But since you came along I can face the dawn  
Cos I know you'll be there

Good morning beautiful, how was your night  
Mine was wonderful with you by my side  
And when I open my eyes and see your sweet face  
It's a good morning beautiful day

I never worry if it's raining outside  
Cos in here with you girl the sun always shines

Good morning beautiful, how was your night  
Mine was wonderful with you by my side  
And when I open my eyes and see your sweet face  
It's a good morning beautiful day, yeah  
Ooh, good morning beautiful day

Good morning beautiful  
It's a beautiful day  
Good morning beautiful  
Good morning  
Good morning beautiful  
What a beautiful day  
Good morning beautiful
