There's a little moonlight dancing on the sand  
There's a warm breeze blowing by the ocean as you're  
taking my hand  
You need to know where I'm standing now  
That I'm right on the edge of giving into ya  
Baby it's a long way down

If I fall, can you let me down easy?  
If I leave my heart with you tonight  
Will you promise me that you're gonna treat it right?  
I'm barely hangin' on  
If I fall, can you let me down easy?

The scent of your perfume floatin' in the air  
You're looking like an angel lying on a blanket with a  
halo of hair

And those lips look too good to be true  
Once I taste that kiss, I know what'll happen  
I'll be at the mercy of you

If I fall, can you let me down easy?  
If I leave my heart with you tonight  
Will you promise me that you're gonna treat it right?  
I'm barely hangin' on  
If I fall, can you let me down easy?

If I fall, can you let me down easy?  
If I leave my heart with you tonight  
Will you promise me that you're gonna treat it right?  
I'm barely hangin' on  
If I fall, can you let me down easy?

If I fall, can you let me down easy?  
Let me down easy, baby
