ba ba da, ba da da  
ba ba da, ba da da  
ba ba da, ba da da, da da

dont worry baby  
sometimes things change  
nothin we can do about it now, no way  
it doesnt come easy, but thats just life  
we cant keep pretendin everythings alright.  
we told each other it was love before.  
simple truth is it just aint no more.  
the bells stopped ringin, the music wont play  
the crazy little feelin that faded away.

(chorus)  
like snowflakes when the weather warms up  
like leaves on the trees when the autumn comes  
like dogwood blossoms in a late spring rain  
or the disappearin bubbles in a glass of champagne

like a red kite lost in the blue sky wind  
i dont know where the good times went  
it aint nothin  
we ever said or ever did wrong  
its just a love done gone

ba ba da, ba da da  
ba ba da, ba da da  
ba bda da,ba da da, da da

i dont regret a single thing that we did  
or anytime together that we ever spent  
i wouldnt change a thing  
baby ya know,  
sometimes we gotta just go with the flow

(chorus)  
like money, in a slot machine  
dont know what happened to you and me  
it aint nothin  
we ever said or ever did wrong  
its just love done gone

ba ba da,ba da da  
ba ba da,ba da da  
ba ba da,ba da da,da da  
its just love done gone  
ba ba da,ba da da  
ba ba da,ba da da  
ba ba da,ba da da,da da  
just love done gone
