Well we know it ain't the first time
We know it used to be my past time
And a couple times back we agreed
That was gonna be my last time
But I guess last night I plum forgot
Who's runnin' this show and who's not

Oh I must've been off of my rocker
I must've got some wires crossed
To come in hear claimin' that from here on out
I'm gonna be the boss
Oh it must've been me the big talker
I had a little too much of Johnny Walker
So let's forget about it baby
I must've been off of my rocker

No there ain't no need to stay mad
No need to waste a whole day mad
Though I have to admit honey
You look pretty darn cute mad
Oh baby workin' this out can't be that hard
Hahaha, I said I'm gonna be in charge

Well I must've been off of my rocker

I must've got some wires crossed
To come in hear claimin' that from here on out
I'ma gonna be the boss
Oh it must've been me the big talker
I had a little too much of Johnny Walker
So let's forget about it baby
I must've been off of my rocker

Oh burn it down now

Yeah I guess last night I plum forgot
Who's runnin' this show and who's not

Oh I must've been off of my rocker
I must've got some wires crossed
To come in hear claimin' that from here on out
I'ma gonna be the boss

Oh it must've been me the big talker
I had a little too much of Johnny Walker
So let's forget about it baby
I must've been off of my rocker
Yeah let's forget about it baby
I must've been off of my rocker
Oh I'm sorry about that baby
