Touch me; tell me what you want me to do.  
I want to take a little trip around you  
You set me on fire  
Ohhhhhh you set me on fire.

Lock me up inside of this room  
I just wanna be close to you  
I can't take it anymore  
Baby I want you so much.  
I wanna feel your breath on my skin  
Find that place we've never been  
I wanna spend all night tangled up in your love.

Kiss me; kiss me till the sun comes up  
Slow, sweet I can never get enough of your love  
Taking me higher  
Ooow taking me higher.

Lock me up inside of this room  
I just wanna be close to you  
I can't take it anymore  
Baby I want you so much.  
I wanna feel your breath on my skin  
Find that place we've never been  
I wanna spend all night tangled up in your love.

Lock me up inside of this room  
I just wanna be close to you  
I can't take it anymore  
Baby I want you so much.  
I wanna feel your breath on my skin  
Find that place we've never been  
I wanna spend all night tangled up in your love.

Tangled up in your love  
Tangled up in your love  
Tangled up in your bed  
Tangled up in your sheets  
Tangled up in your head  
Tangled up in your love.  
Tangled up in your love.
