Dance, dance, dance, dance)

I could have danced all night
I could have danced all night
And still have begged for more

I could have spread my wings
And done a thousand things
I've never done before

I'll never know
What made it so exciting
Why all at once
My heart took flight

[CHORUS]
I only know when he
Began to dance with me
I could have danced
Danced, danced all night

[Repeat CHORUS]

(All night, all night)
