I'll be seeing you in all the old familiar places  
That this heart of mine embraces all day through  
In that small caf?, the park across the way  
The children's carousel, the chestnut trees, the wishing  
Well  
I'll be seeing you in every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way  
I'll find you in the morning' sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you  
I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you
