The crowd sees me out dancing, carefree and  
romancing  
Happy with my someone new  
I'm laughing on the outside, crying on the inside  
'cause I'm still in love with you

The see me night and daytime, having such a great  
time  
They don't know what I go through  
I'm laughing on the outside, crying on the inside  
'cause I'm still in love with you

No one knows it's just a pose  
Pretending I'm glad we're apart  
But when I cry my eyes are dry  
The tears are in my heart

Darling, can't we make up? Ever since our breakup  
Make believe is all I do  
I'm laughing aon the outside, crying on the inside  
'cause I'm still in love with you
