Just for me.....

Well I've been moving my bootie all week long

To the rhythm of the working week

Been spending every last dime on design

So I look good enough to eat

'Cos I'll be doing my thing

My thing for you baby

I'll be moving my thing

I can be anything I want to be

Welcome to my fantasy

Tonight I'll be

Living for the weekend

When I can unchain my life

Living for the weekend

It's time to liberate my mind

Well I've been painting my face

For when I enter that place, I want to make a scene

As I walk around, look around, what do I see

I see you, boy, looking at me

'Cos I'll be doing my thing

My thing for you baby

I'll be moving my thing

The night is young and so are you

Walk into my fantasy

Tonight I'll be

Living for the weekend

When I can unchain my life

Living for the weekend

It's time to liberate my mind

I know the DJ's playing that song

And he's playing it just for me

As I'm working that stage like a Broadway play

Uh ah.....

'Cos I'll be doing my thing

My thing for you baby

I'll be moving my thing

Can you feel this energy

Coming from inside of me

Tonight we'll be

Living for the weekend

You know I'm living for the weekend.....
