Love and marriage, love and marriage  
They go together like a horse and carriage  
This I'll tell you brother  
You can't have one without the other  
Love and marriage, love and marriage  
It's an institute you can't disparage  
Ask the local gentry  
And they will say it's elementary  
Try, try, try to separate them  
It's an illusion  
Try, try, try, and you will only come  
To this conclusion  
Love and marriage, love and marriage  
They go together like a horse and carriage  
Dad was told by mother  
You can't have one without the other  
Try, try, try to separate them  
It's an illusion  
Try, try, try, and you will only come  
To this conclusion  
Love and marriage, love and marriage  
They go together like a horse and carriage  
Dad was told by mother  
You can't have one without the other
