You are the love of my life  
You are the reason I'm alive  
And baby, baby, baby  
When I think of how you saved me  
I go crazy

I've never known love like this  
And it fills me with sweet tenderness  
And I know, I know, I know  
You're in my heart, you're in my soul  
You're all I can't resist

And I need to tell you  
The first time I held you  
Baby I knew

You are the love of my life  
I spent a lifetime waiting  
Always hesitating until you  
I was lost so deep inside myself  
Till you came and saved me from myself  
Now all I really know is I need you

And you are the love of my life  
All my joy and the tears that I've cried  
And baby, baby, baby  
You don't have to say a word  
I see it in your eyes

And as we stand together  
I promise forever  
Till the day that I die

You are the love of my life  
I spent a lifetime waiting  
Always hesitating until you  
I was lost so deep inside myself  
Till you came and saved me from myself  
Now all I really know is I need you

You are the love of my life

You are the reason I'm alive
