thanks to Julie James (jjames@poczta.onet.pl) for
submitting the lyrics

I've been searching a long time
For someone exactly like you
I've been travelling all around the world
Waiting for you to come through
chorus
Someone like you
Makes it all worthwhile
Someone like you
Keeps me satisfied
Someone exactly like you

I've been doing some soul searching
To find out where you're at
I've been up and down the highway
In all kinds of foreign lands
chorus
I've been all around the world
Marching to the beat of a different drum
But just lately I have realised
The best is yet to come
chorus
