If you can't say that you still love me  
Don't tell me no lies when you call  
If you can't say that you still need me  
Then why say anything at all

If you can't say that you're sorry  
For all the tears you've caused before  
If you can't tell my heart is breakin'  
Then why say anything at all

It's better not to speak a word  
If those crumbs of tongue cause you pain  
It's better not to let it be heard  
Those lies you tell in vain

So if you can't say, I'm still your baby  
Then all you say on deaf ears fall  
Just walk away without a word, dear  
And don't say nothin' at all  
Please, don't say nothin' at all
