

## Dinah Washington

### "It Could Happen To You"

Visit "[It Could Happen To You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hide

Your heart from sight

And lock

Lock your dreams at night

'Cause it could happen

To you

Don't count

Stars or you

Might stumble

Someone

Drops a sigh

Yeah and down down down

Down you tumble

So keep

An eye on spring

Run

When church bells ring

'Cause it could happen

To you

All I did was wonder

How your arms would be

Then sure enough

Yeah something happened to me
