Nobody knows the way I feel this mornin'  
Oh, nobody knows the way I feel this mornin'

Well, if I only had my way  
Don't you know the graveyard would be the place  
My man would lay  
Nobody knows the way I feel this mornin'

I pawned everything that I had this mornin'  
Ooh, yeah, yeah, yeah  
I pawned everything I could get my hands on this  
mornin'

I pawned my ring, gold watch and chain  
I would have pawned myself  
But don't you know I felt kind of ashamed  
Nobody knows the way I feel this mornin'

Lord, Lord, I feel I could scream  
Scream and cry this mornin'  
Yeah, yeah, yeah, yeah, yeah, yeah  
I feel like I could scream, scream and cry this mornin'

I feel like I could scream, I holler and cry  
But I'm too stout hearted, I'd rather die  
'Cause nobody knows  
Nobody knows the way I feel this mornin'

Girls, let me tell you  
If your man stays out all night till mornin'  
I said if your man stays out  
And don't come home till mornin'

Don't waste your breath by fussin' at him  
Just maul him on the head with your rollin' pin  
'Cause nobody knows  
Nobody knows how I feel this mornin'

Yeah, yeah, I feel like I could scream  
Scream and cry this mornin'  
Lord, Lord, Lord, Lord, I feel like I could scream  
Yeah, scream and cry this mornin'

I feel like screamin' and I could cry  
But I'm too stout hearted, don't you know I'd rather die  
'Cause nobody knows the trouble I've seen  
And nobody knows the way I feel this mornin'

I'd rather be a sinker on a fishin' line this mornin'  
I know you heard me I said  
I 'd rather be a sinker on a fishin' line this mornin'

I'd rather be a sinker on a fishin' line  
Than to have my mind frustrated all the time  
'Cause nobody knows  
Nobody knows the way I feel this mornin'

I even hate to hear my daddy's name this mornin'  
Lord, Lord, Lord, Lord, Lord, I hate to hear  
I hate to hear my daddy's name this mornin'

I even hate to hear, to hear your name  
I can kill you quicker than an express train  
'Cause nobody knows  
Nobody knows the way I feel this mornin'

Well, well, well  
Nobody knows the way I feel this mornin'  
Oh, nobody knows the way I feel this mornin'

Lord, nobody knows the way I feel  
I ain't gonna holler but I'm gonna squeal  
'Cause nobody knows  
Nobody knows the way I feel this mornin'

I'm leavin' here  
On a southbound train this mornin'  
Oh, I'm leavin' here  
On a southbound train this mornin'

I'm leavin' here on a southbound train  
Nothing's gonna bring your sweet baby back here  
again  
'Cause nobody knows the way I feel this mornin'
