What a difference a day made, twenty four little hours  
Brought the sun and the flowers where there use to be  
rain  
My yesterday was blue dear  
Today I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine  
Oh, what a difference a day made  
There's a rainbow before me  
Skies above can't be stormy since that moment of bliss  
That thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you, is you  
My yesterday was blue dear  
Still I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine  
Oh, what a difference a day made  
There's a rainbow before me  
Skies above can't be stormy since that moment of bliss  
That thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you, is you, is you
