I can't leave  
I can't leave a good thing  
I can't leave a good thing like you  
I can't leave a good thing like you alone  
Waitin' on me, sittin' at home  
No, a body like that it needs a good lovin', oh  
I can't leave a good thing like you alone

I ain't gonna work  
I ain't gonna work today  
I ain't gonna work, I'm gonna stay  
I ain't gonna work today, I'm gonna stay right here with  
you  
Ain't enough pay worth to puttin' me through  
All the money in the world couldn't change what I'm  
gonna do  
I ain't gonna work today, I'm gonna stay right here with  
you

Leaving you this morning, was the last thing on my  
mind  
All I think about is you were in the bed, easin' over to  
my side  
I'm gonna call in sick, honey won't you hand me that  
phone  
I can't leave  
I can't leave a good thing  
I can't leave a good thing like you alone

I can't stay  
I can't stay away  
I can't stay away from you  
I can't stay away from you for another whole day  
So close your eyes, let pull them shades  
And these hands are gonna show you everything I  
wanna say  
I can't stay away from you for another whole day

I can't leave  
I can't leave a good thing  
I can't leave a good thing like you

I can't leave a good thing like you alone

I can't leave

I can't leave a good thing

I can't leave a good thing like you

I can't leave a good thing like you at home too long  
alone

I ain't gonna do it

I can't leave a good thing like you alone
