Tomorrow morning if you wake up  
And the sun does not appear  
I will be here, here  
If in the dark we lose sight of love  
Hold my hand and have no fear  
'Cause I will be here

I will be here when you feel like being quiet  
When you need to speak your mind, I will listen  
And I will be here  
When the laughter turns to crying  
Through the winning, losing and trying  
We'll be together  
'Cause I will be here

Tomorrow morning if you wake  
And the future is unclear  
I will be here  
As sure as seasons are made for change  
Our lifetimes are made for years  
So, I will be here

I will be here and you can cry on my shoulder  
When the mirror tells us we're older  
I will hold you  
And I will be here to watch you grow in beauty  
And tell you all the things you are to me  
I will be here

I will be true to the promise I have made  
To you and to the one who gave you to me
