(James Taylor)

I'm a steamroller baby
I'd like to roll all over you
Hey I'm a steamroller for your love
Like nothing better than to just roll all over you
I'm gonna inject your soul with
Some sweet old time rock & roll
Shoot you full of rhythm & blues.

I'm a cement mixer
A churnin' urn of burnin funk
I'm a cement mixer ooh boy
A churnin' urn of burnin funk
Hey I'm a demolition derby
A hefty hunk of steamin' junk, hey.

I'm a na-palm bomb lord
Guaranteed to blow your mind
I'm a na-palm bolb gonna blow your mind
If I can't have your love love
There won't be won't be nothin' left behind
Left behind girl.

I'm a steamroller baby
I'm bound to roll all over you lord
have mercy girl
I'm a steamroller for your love
Like nothin' better than just to just roll over you
If I can't have your love love
I'm gonna have nothin'
I'm gonna have nothin'
But them steam
Steamroller blues.
Yeah, yeah...
