I'm A Fool
Dino, Desi and Billy

You know where I can be found
doncha know I'll be waitin' by the telephone, girl
While you're out runnin' around, yeah
I'm sittin' home all alone

I'm a fool, just a silly fool
To be in love with you

You can't be kind to me, girl
You always treat me bad, girl
But I can't let you go, I know
It would only make me sad

I'm a fool, just a silly fool
To be in love with you

You treat me just like dirt
You have all the fun
I stay at home and hurt

Baby I wish I knew, yeah
Just how to get you off my mind, girl
To put you down and say we're through, yeah
I think about you all the time

I'm a fool, just a silly fool
To be in love with you

Baby I wish I knew, yeah
Just how to get you off my mind, girl
To put you down and say we're through, yeah
I think about you all the time

I'm a fool, just a silly fool
To be in love with you
I'm a fool, I'm a fool, I'm a fool br>
