Summertime's in the air
And summertime girls are everywhere
They raise excitability
I like the things they do to me
Summertime girls
All day long summertime girls
Sing this song

Summertime girls set the pace
With sunglasses on their face
Excuse me if I stop and stare
I like the kind of clothes they wear
Summertime girls all day long
I like summertime girls
Sing this song

I wish they all could be like summertime girls

Summertime girls at the beach
Sexy suits and hard bodies
Their golden brown bodies sweat
I like to see them soaking wet
Summertime girls in the sun
All day long summertime girls
Just having fun
Sing this song

I wish they all could be like summertime girls

I like the summertime girls
They're turning me on

They look so good to me
These summertime girls are sweet
I wanna take one home with me
Summertime girls in the sun
All day long summertime girls
Just having fun
Sing this song

I like summertime girls
The way they walk and talk

I wish they all could be like summer
Wish they all could be like summertime
