angel, eyes
I've been thinking about you
since I saw your beautiful eyes
whenever I look at you're face
I see deep blue sky's

And everything looks just perfect
when my thoughts are with you
Oh how I wish to see you again
and make my dreams come true

Your angel eyes
are all I'm dreaming of
Your angel eyes
are all I'm looking for
And every time I'm alone
the light of your eye shines
everywhere I look around
I see your angel eyes

And everything looks just perfect
when my thoughts are with you
Oh how I wish to see you again
and make my dreams come true

Your angel eyes
are all I'm dreaming of
Your angel eyes
are all I'm looking for
And every time I'm alone
the light of your eye shines
everywhere I look around
I see your angel eyes

I asked myself what
what was that feeling
I was dreaming of
But when I saw your eyes
I realized
this is love

Your angel eyes
are all I'm dreaming of
Your angel eyes
are all I'm looking for
And every time I'm alone
the light of your eye shines
everywhere I look around
I see your angel eyes

Everywhere I look around
I see your angel eyes
