Before I met my Emily
Only wonderland was in my dream
I was waiting for a miracle
That will bring her one day straight to me

Now I believe in destiny
After I met my Emily
She's a guardian Angel for my heart
And I thought we'll never be apart

Hey what a time we had
I am still wondering how could it be
And the way she smile
It is something you have to live with

Why, why, why
I met you Emily?
Why did you say
bye, bye, bye?
Will you remember me?

Will you remember me
(uuuuh), my Emily
(uuuuh), Emily

And now as I am with you again
Everything seems to be the same
There is something between you and me
That no one else can touch and see

Your life is my life too
and my dream is still the same
I want you to be
Forever my best friend

Why, why, why
I met you Emily?
Why did you say
bye, bye, bye?
Will you remember me?

Why, why, why Emily?
bye, bye, bye Emily?
