I am small , I am young
But I know a lot of things
You haven't seen before
I'm doing sports
So fast, so crazy, so new
Hey Ma, I'm still your little boy

I am small , I am young
But I know a lot of things
You haven't seen before
I can drive racing simulation
on my home Play station
Hey Pa, I'm still your little boy

Sing with me, I am new millennium kid
Sing with me, sing my song
Smile with me, I am new millennium kid
Smile, smile, all day long

I am surfing through the net
And I have a lot of chat
With friends around the earth.
If you haven't met me at all
I introduce myself with this song
Hey kids, let's sing together as one

Sing with me, I am new millennium kid
Sing with me, sing my song
Smile with me, I am new millennium kid
Smile, smile, all day long

Sing with me, I am new millennium kid
Sing with me, sing my song

Smile with me, I am new millennium kid
Smile, smile, all day long

I am new millennium kid

I am new millennium kid
