I will take you out tonight
to the famous midnight ball
there will be no one like you
in that fancy dancing hall

There's no need for special dress
or for some high heel shoes
you look great the way you are
there will be no one like you

'cause you're my rock'n'roll
princess of rock'n'roll
rock'n'roll
princess of rock'n'roll

I will wait for the midnight bell
to follow you
and watch your step

Na, na, na, na, na
princess of rock'n'roll
