Please don't fight it
Can't you see you've
Got me so excited

You got me on a string
Keep me wondering
If this love affair
Is just one sided

So, baby, don't, don't, don't
Don't, don't, don't, please

Please don't doubt it
Baby, let me
Teach you all about it

You say your love's?
About your?
Let me dry your eyes
When they are clouded

And don't, don't, don't
Don't, don't, don't, please

So, baby, don't, don't, don't
Don't, don't, don't, please

Please don't fight it
Baby, won't you
Tell me you've decided

To give my love a try
Never say goodbye
After all, you haven't
Really tried it

So, baby, don't, don't, don't
Don't, don't, don't, please

Don't fight it, baby
Don't fight it, baby
Don't fight it, baby

Don't fight it, baby
Don't fight it, baby
Baby, don't fight it
