If you're not feeling happy
Having fun
Don't go and hide away
You'll be the lonely one

Tell someone you love them
Tell someone you care
And you'll be there

Your life was meant to be happy
Don't you feel blue
Just think of love and
Oh, oh, love will come to you

(CHORUS)

Falling in love is part of the fun
Falling in love is everyone
Stopping being shy
Come on now, give it a try
Oh, my, my, my, my

Tell me you love me
Tell me you care
And I'll be there

We can be grooving all of the time
And I?
We can be sure to make it
Now, give me a try
Oh, my, my, my, my

Falling in love is part of the fun
Falling in love is everyone
Stopping being shy
Come on now, give it a try
Oh, my, my, my, my
