Two in the afternoon
This is the time of day for
Me and you in the afternoon
Doing the things that we
Can only do in the afternoon
Stay in the afternoon with me

Two in the afternoon
The time of day to see the
Sky of blue in the afternoon
You know that I love to be
With only you in the afternoon
Spend the afternoon with me

We'll be together
Til the sun goes down
Until the day that we can, ooh
Stay together, stay forever

We'll be together
Til the sun goes down
Until the day that we can, ooh
Stay together, stay forever

Two in the afternoon
This is the time of day for
Me and you in the afternoon
Doing the things that we
Can only do in the afternoon
Stay in the afternoon with me

Two in the afternoon
The time of day to see the
Sky of blue in the afternoon
You know that I love to be
With only you in the afternoon
Spend the afternoon with me

Two in the afternoon
This is the time of day for
Me and you in the afternoon
Doing the things that we

Can only do in the afternoon
Stay in the afternoon with me
