Do you know that it's alright? I been thinkin', seein'
that's not how it's gotta be ain't sayin' if it's worth the
fight I'm a space but you can count on me to save your
place and I know it's al
Do with you and me do you know if you're against the
deal? we'll wait and see but I'd love to hear that story
once again it's the only part of me you still defend did
you know I heard your voice
N I call to see if you're around, I have no choice then
the news is in my face took a step to let the feeling go
and lost my place and I swear I hear the same thing
every night once again no acc
D for the hours I spent baked as any time I drifted out
of sight remember when you didn't need this time to
mend anywhere you'd like to go would it help to be
inside the life I couldn't know? if
Shake it, it won't show hold out for me, 'cause bailin' at
this point is really low. and I know it's all to do with just
a friend and I can't decipher messages you send but
I'd love to hear that
